U13 Junior Development Squad Members

Kane Russell, Nathan Mynett, Trevor Foster & Cameron McPherson attended the Victorian Country Junior Hockey Championships as members of the HAW B Team on the first weekend in July. Although not expected to win a game, they did win a game & our very own Kane Russell scored a goal. It was a great experience for the boys & they look forward to representing our club again in the future. Thanks also go to Matt Russell for being Team Manager and supervising 13 "little treasures" - not an easy job.
